Family

D/C: Cowboy Bebop is not mine. If it was, there would be a second season! Whoot!

Anyways, here's my first anime poem.

Ed wakes up in the morning

And sings an original song

Ed wants to hug everybody

Ed doesn't want to leave

This is not a poem about Ed

This is not a poem about rejection

Spike-spike says hi

Faye-faye chases Ed away

Jet-person seems to care

Only about his bonsai today

Ed still wants to hug them

Ed likes to be around them

This is not a poem about loneliness

This is a poem...

About Ed's family

It's kinda bad, but hey, I tried. That's how I actually think of the Bebop crew: one happy family. Jet's the dad, Faye's the big sister, Spike's the big brother, and Ed's the little sister! Tee hee!
